COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

The Notice of Allowability mailed on 05/30/06 contains an Examiner's Statement of Reasons for Allowance. The Statement contains language that attempts to characterize the claimed subject matter. The Applicant submits, however, that the language in the Statement does not accurately characterize each of the independent claims. In particular, the Statement states that "the references cited fail to teach, as applicant has, ... generating an update value for the corresponding LUT." The Applicant submits that this feature is not part of every independent claim. To that extent, the Applicant objects to the Statement.

In general, to the extent that the Statement differs from the language of any of the independent claims, the Applicant rejects any narrowing or limitations that might possibly result from such differences. For each of these reasons individually and for all these reasons collectively, the Applicant objects to the Statement.

Respectfully submitted,
